

ABOUT US /

TM Fencing has been in business since 2006 and continues to grow in popularity. TMF fences are memorable and unique, all projects are finished with a natural and aesthetic touch.

The business is owned and operated by two Colorado natives, Jonas Pearson and Ehren Samuelson. Both individuals strive to expand and enrich the future of TM Fencing. They look forward to enhancing their visions and diversifying their crafts. They promote renewable energy services and repurposed materials for projects.

WORK /

TM Fencing installs several types of fences including but not limited to: Custom Design, Horse and Farm, Buck and Pole, Split Rail, Privacy Picket, Post & Dowel, Barbed Wire, Ornamental Iron, Chain Link, Vinyl & Wind Fences. We also provide Low Impact Tree Services and build customized gates and entryways. TM Fencing is licensed, registered, and insured in the state of Colorado.

***"We love, (love!), the fence.
It's perfect."***
